Nisar Ahmed

IT Incharge | IT Instructor | Web Developer | Software Engineer |
WordPress & Web Solutions Specialist
Hyderabad District, Sindh, Pakistan

Summary

I am an IT Incharge and IT Instructor at Beacon Institute of Health Sciences, Hyderabad, with hands-on experience in managing IT infrastructure, supporting academic operations, and delivering practical IT training.

My expertise includes hardware and software troubleshooting, basic networking, web development, and WordPress website management. Alongside technical responsibilities, I actively train students in computer fundamentals and applied IT skills, focusing on real-world implementation rather than theory alone.

I have a strong interest in web development and software engineering, and I continuously work on improving my skills in modern web technologies. I am passionate about using technology to improve learning environments, streamline systems, and provide effective digital solutions.

I am open to opportunities in IT management, teaching, and web development where I can contribute my technical skills and continue professional growth.
